

About SE Health

SE Health is a leading not-for-profit social enterprise that provides health care solutions, innovation, and education. Through our meaningful and integrated approach to care, as well as our social impact initiatives, we are making a difference for people and communities in Canada and across the globe. With 115 years of experience and a powerful vision for the future, SE Health is bringing hope and happiness to all the lives we touch.

- Health & Safety
- Compensation
- Recruitment
- Training
- Learning Management Systems and Courses
- HR Staffing

”

“The expertise of the [SE Health]’s Managed Services team has been critical to my organization during our growth and transition to new funders. Our organization has access to experienced finance, IT and HR teams, and this has allowed us to focus on doing great work within our community without worrying about the financial operations.”

Michelle Bergin

(Executive Director, Catholic Family Services of Simcoe County)
